This Program financially supports the development of mass media and educational initiatives aimed at increasing awareness and understanding of international development and cooperation issues among Canadians.

1437 GEOGRAPHIC PROGRAMS

<http://www.acdi-cida.gc.ca/acdi-cida/ACDI-CIDA.nsf/eng/JUD-112911531-MT7>

Geographic programs are government-to-government assistance programs that Canada executes to benefit developing countries. They are also known as bilateral programs.

1438 INTERNATIONAL HUMANITARIAN ASSISTANCE PROGRAM

<http://www.acdi-cida.gc.ca/acdi-cida/acdi-cida.nsf/eng/JUD-24132427-PLC>

CIDA's International Humanitarian Assistance Program provides financial contributions to humanitarian assistance organizations to support non-food assistance and relief programs to alleviate human suffering caused by natural disasters and conflict. This includes basic human needs such as health, water and sanitation, shelter and household items, protection, education, recovery of livelihoods and disaster preparedness activities. It also includes the care, maintenance, and eventual repatriation and reintegration of refugees and displaced persons.

1439 INTERNATIONAL YOUTH INTERNSHIP PROGRAM

<http://www.acdi-cida.gc.ca/acdi-cida/acdi-cida.nsf/eng/JUD-330132840-NHG>

The International Youth Internship Program (IYIP) is a program for Canadian graduates (ages 19 to 30 inclusive), part of the Career Focus stream of the Government of Canada's Youth Employment Strategy (YES). Canada's YES provides Canadian youth with tools and experience they need to launch successful careers.

1440 MULTILATERAL PROGRAMS

<http://www.acdi-cida.gc.ca/acdi-cida/ACDI-CIDA.nsf/eng/JUD-112911931-LY2>

Many pressing global problems, such as the spread of infectious disease, financial crises or climate change, are too large for any one country to tackle on its own. They affect the well-being, security and prosperity of all countries, and dealing with them calls for the joint resources and commitment of the world community.

1441 UNIVERSITY PARTNERSHIPS IN COOPERATION AND DEVELOPMENT (UPCD) PROGRAM

<http://www.acdi-cida.gc.ca/acdi-cida/acdi-cida.nsf/eng/JOS-42814543-Q6U>

The Canadian International Development Agency's University Partnerships in Cooperation and Development (UPCD) Program:

- supports programs developed by Canadian universities that help build the capacity of educational institutions in developing countries; and
- funds programs that focus on developing the human resources to address developing countries's most important development needs in sustainable ways.

1443 RESEARCH AND SUPPORT PROGRAM

<http://www.nuclearsafety.gc.ca/eng/about/researchsupport/index.cfm>

The Canadian Nuclear Safety Commission funds an extramural research program to obtain knowledge and information needed to support its regulatory mission. The program provides CNSC with access to independent advice, expertise, experience, information and other resources via contracts placed in the private sector, and with other agencies and organizations in Canada and elsewhere. The program is compiled from project proposals submitted from across CNSC.
